HOW TO HELP YOUR FRIEND.

The Contest Department has been receiving a large number of queries from the friends of contestants as to how they could help their favorites and as to what was necessary for them to do in sending in their own subscriptions. All that you need to do about your own subscription is to send it in, either by mail or in any other way, and inform the business office or the contest department whom you wish to vote for. To help your favorite by securing other subscriptions in addition to your own, it is only necessary to stop in at this office and get a subscription book, with which you will be fully equipped to go forth and gather in as many votes as you can muster.

TURN IN SUBSCRIPTIONS.

As soon as the subscriptions are turned in we will issue you voting certificates. This certificate you may keep until the last day of the contest if you desire so that no one else will know just where you stand even though you do make your report of subscriptions secured. You must report subscriptions every few days for those from whom you secure subscriptions expect their papers to be started to them promptly and this cannot be done until we hear from you.

BEGIN A FRESH LINE OF SUCCESS TODAY

Vote ballots issued on subscriptions are good at any time up to the close of the contest, and may be polled and published whenever you choose. The seems to be a mistaken idea that the vote ballots need to be polled (put in the ballot box) as soon as they are issued to the contestant. This is not so. You can use your own discretion in polling the votes and they will not be published in the paper until you deposit them in the ballot box. However, the vote coupons published in the paper are good only a short time ahead, so be sure you cast them before the dates printed thereon has expired.

DON'T NEGLECT OPPORTUNITIES.

The contest man would like to ask all contestants whether they are not overlooking a good many opportunities for securing votes? Are you not neglecting many possible sources for subscriptions? Don't put this contest in the background for other matters of far less importance to you. Remember that the reward you are after is not a trifling one. That you are after something big, and that it will take big effort to win.

Don't think that because all other candidates appear to be in a comatose condition that some few will not awaken to the call of opportunity and make a last week spurt to win out.

Prizes such as the Record is offering should not go begging and their very value is certain to arouse the interest of some of the many wide awake ones who are not doing much at present.

SEND YOUR PHOTO.

The Contest Manager would like to have the picture of all active candidates who are working for votes and subscriptions. The picture should be sent in at once with a short biographical sketch that will be of interest to your friends. When you mail photos also send us a list of out-of-town friends so that we may send them a

Mr. Will G. Clark's Residence Destroyed By Lightning.

The home of Mr. William Clark, the old Phillips home, near Sycamore Valley, was struck by lightning Wednesday afternoon and both the house and contents were totally destroyed. Mrs. Clark received a severe shock but was not seriously injured. Mr. Clark carried insurance on house and furniture to the amount of \$800, and his loss will exceed that figure by about \$500.

Insured with Gaines, loss will be paid promptly.

Come Monday morning at 9 o'clock.
M. L. Canear.

Boulden.

Mrs. Margaret Poor Boulden died suddenly at her home in Nicholasville, on Tuesday morning of heart failure. Mrs. Boulden had not been in robust health, but her ailment was not thought to be of a serious nature and the news of her death came as a great shock to her many relatives and friends in Garrard County. After funeral services at the house conducted by the minister of the Methodist church, of which she was a consistent member, her remains will be laid to rest in the Nicholasville cemetery on Friday afternoon at 2 o'clock.

Mrs. Boulden was the widow of the late Charles M. Boulden, a well known and popular gentleman, who died in 1897 while making the race for Sheriff of Garrard County. She was a daughter of the late John W. Poor. Mrs. Boulden was well known and very popular in Lancaster, where she received a part of her education, and her sudden taking was a cause of deep sorrow to her many friends here and in the county. She is survived by one daughter, Miss Carrie Boulden to whom the sincere sympathy of everyone is extended in her sudden bereavement.

An Appeal To The Democratic And Republican Candidates Of Garrard County.

Realizing the conditions confronting the people of this county, whereby the will of the people is being thwarted by the use of money and other corrupting influences in our elections.

We, the candidates on the Progressive ticket, do most earnestly appeal to each and every one of you, as good citizens of this county and commonwealth, to come forward and meet us and sign an agreement not to use any corrupting influences whatever in the coming election, whereby the will of the people may be expressed at the polls and every vote counted as cast.

As intelligent citizens, you are not ignorant of conditions, whereby money and whiskey are being used to debauch our citizenship, and if there are not steps taken to put an end to such nefarious practices, the day will come when your children, if not yourselves, will realize the fact "that a government of the people, for the people and by the people" has ceased to exist.

We therefore ask that all of the candidates, who are willing to bind themselves in writing to carry out the above plans will meet with us on Saturday 3 p. m. Sept. 6th 1913 at the Court House in Lancaster Ky.

Signed:

J. F. Holtzclaw candidate for Representative,

J. B. Bourne candidate for County Judge

R. S. Brown candidate for Sheriff.

John M. Duncan candidate for County Clerk.

G. B. Anderson candidate for Jailor.

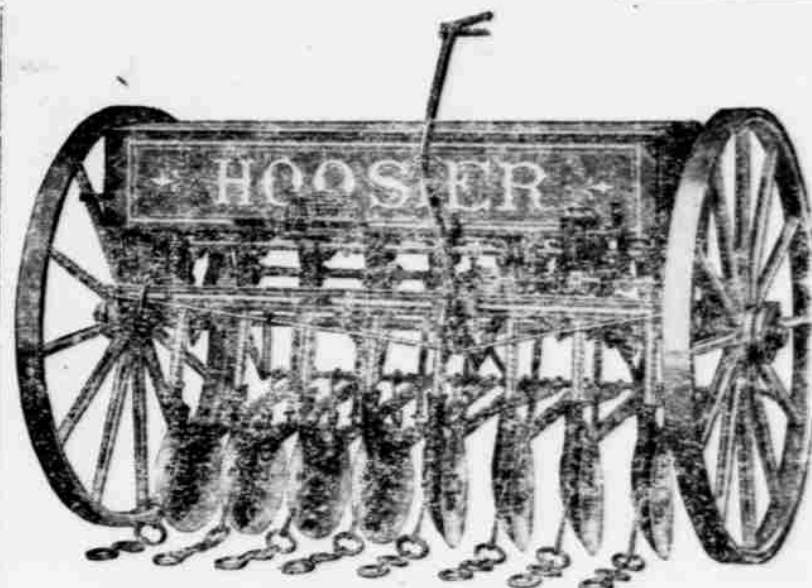

John Green candidate for Assessor.

R. M. Moss candidate for magistrate, District No. 2.
